

Gogglegear  
for Lexa

® PELTOR

# Gogglegear for Lexa

Combines with the Lexa lens for the lightest, widest, most stylish and comfortable splash goggle in the world. The soft PVC shroud wraps around the lens providing a protective seal.

## FRAME

- Secure Elastic Headband
- Unisex Design
- Lightweight design, weighs just 51 grams
- Dust GoggleGear available in two sizes

## LENS

- Durable polycarbonate lens construction with DX™ Anti-Fog, hard coating for good resistance to fogging, chemical attack, scratching and static
- Available in clear, indoor/outdoor lenses, also grey in Dust Gogglegear range
- Extended viewing range without distortion
- Top and bottom vent channels improve air flow to reduce fogging
- Soft foam seals out harmful dust and particulates in Dust Gogglegear

## USE

- Ideal for general industrial and construction use

## STANDARDS

- Meets AS/NZS 1337:1992 when combined with LEXA
